ANA STOJANOVIĆ

Web Designer & Developer

+381-646496533 ana16stojanovic@gmail.com

SUMMARY

I'm a creative Web Designer & Developer with a strong eye for design and a clear preference for frontend work, where I can combine creativity with technology. I also have knowledge of backend development and databases, which helps me understand how the whole web development process fits together. I enjoy creating clean, responsive and user-friendly websites, and I'm always looking to improve my skills through real projects.

EXPERIENCE

NOCTUX — Web Designer & Developer **2026 – Present**

- Designed and developed the Noctux website using HTML, CSS, JavaScript and Cursor.
- Created visual assets and promotional content for web and social media.
